Who We Are

Denken Solutions is an award-winning global provider of AI-enabled Contingent Workforce(CW) solutions, HR Tech App and Consulting services since 2010. With our headquarters in Irvine, CA Denken has strategically established office locations in multiple key global hubs to effectively serve our clients' workforce needs. Today, Denken supports more than 30 Fortune 1000 contingent workforce programs and have more than 1000 employees globally. Denken also proudly holds the ISO 9001:2015 certification and is a certified Minority Business Enterprise (MBE).

Why Choose Us

Experience & Partnerships

Denken has established partnerships with more than 30 contingent workforce programs including Sempra, Southern Company, OG&E hence we'll fill your roles with qualified candidates faster

AI Powered Recruiting

Denken has developed internal AI tools(Squirrels.ai) to help with the recruiting process to quickly identify candidates that are available and interested which enables our submission of qualified candidates within 48 hours

National & International Presence

Denken resources work with clients nationwide in the USA and also provide 'nearshore' and 'offshore' support at our key global hubs such as Canada, Mexico, India, Philippines and more.

ISO 9001:2015 Quality Process

We utilize stringent ISO certified quality measures and pro-actively share monthly KPI metrics such as interview ratios and submission to starts to ensure we constantly deliver value to our clients.
